Schoolgateway

Dear Parents/Guardians

PAYMENT and COMMUNICATION is easier, faster and more effective using the School Gateway App.

From January 2020 we will no longer accept cash for dinner and trip payments. You can pay using the School Gateway app as most parents and carers already do. This is safer, more secure and prevents cash being lost. It also saves the school money and time.

If you would prefer to use cash you can make payment in most local shops using PayPoint – just ask school to print or email you a bar code for the payment you'd like to make and take it to the local PayPoint shop with your cash. However this can take up to 2 days before the funds reach us.

We can also communicate with parents more quickly using the School Gateway smartphone app.

It's quick and simple to register with just the email address and mobile number that the school holds on record for you. Search for 'School Gateway' in Apps, download the App then open and click on 'New User'. You will be sent a PIN to enter. If you have trouble logging in, please call us on 01332 572026 or 861965.

We're aiming to get all our parents using the School Gateway app – Please help us achieve this target.

If you don't have a smartphone, you can still receive text messages from the school.

Yours faithfully

Mr M Tarrant
Noel-Baker Academy

The banner features a hand holding a smartphone displaying the School Gateway app interface. The app screen shows a menu with options: Attendance (81.1%), Timetable, Payments, Behaviour (90 points), Achievement (148 points), and Student Details. To the right of the phone is the School Gateway logo, a stylized infinity symbol. Further right are two download buttons: 'Available on the App Store' and 'GET IT ON Google Play'. The background is a light blue gradient with circular patterns.

Schoolgateway Keeping up with what's going on at school is easier than ever
